***Many of you know our story with Caden. He was born with severe oxygen loss and rushed to Penn State Hershey. Patrick and I stayed at the Ronald McDonald House for the 5 weeks we had with our precious baby boy. The work that they do there truly is a gift to families in these same circumstances. They not only offer a safe place to lay your head at night but also warm meals, snacks, laundry and all the supplies you may need in a pinch. We are very grateful for this organization and would like to deliver this donation in Caden's memory.***
